

Dear Dream Team Fan Club,

The Dream Team, a co-ed adaptive baseball league for players with disabilities ages 8-23, is hosting The First Annual Baseball Bash on Sunday, March 10th, 2019! All proceeds will support The Dream Team: uniforms, field usage fees, equipment, required insurance, and training needs. The Dream Team is proud to offer this community based program at **No Charge** for all players.

We are seeking donations for silent auction baskets as part of the Baseball Bash. All donations will be grouped together in theme-based baskets. All donors will be recognized at the Baseball Bash and on The Dream Team social media pages.
